

Trainee Obstetric Assessors for MBRRACE-UK Confidential Enquiries into Maternal Deaths

MBRRACE-UK are seeking to appoint 5-8 Trainee obstetric assessors for the MBRRACE-UK Confidential Enquiries into Maternal Deaths, who will be geographically representative of the four UK nations and regionally representative within England. This is an exciting opportunity to learn and apply the principles of Confidential Enquiry within a world-renowned national programme. It is anticipated that assessors will be expected to review 6-10 cases per year. Most of the work will be undertaken electronically and therefore travel will not be required. The position is not remunerated but assessment work may be considered as part of continuing professional development and may provide eportfolio evidence of reflective practice.
